Ministry of Defence  
D(Works-I)

Subject:- AMWP 2015-16- Increase in cost of individual Work vis-à-vis Rough Cost Estimates in AMWP List.

\*\*\*\*\*

Reference is invited to QMG Branch 's ID' No. 35328/AMWP/MoD Corres/15-16/Pig(Wks & Bud) dt 12<sup>th</sup> August,2015 on the above noted subject and to say that the issues raised therein has been examined in the Ministry in consultation with Def(Fin).

2. As a matter of fact such type of cases, where there is substantial increase in cost of AEs vis-à-vis RIC of the work indicated in AMWP at the time of listing are already being processed and approved in MoD D(Works)/MoD (Fin/Works) after ensuring that reasons/Justifications furnished by AHQ for the variations in cost of work vis-à-vis RIC is satisfactory.

3. Further as per para 18(b) of DWP 2007, approval of AMWP implies in principle, approval for implementation of the works programme. Thus if there is substantial variation in cost of the work as per AEs vis-à-vis Rough Indication cost of the work on which the work has been listed, it reflects poor planning on the part of executing authority and needs to be discouraged even if the overall ceiling allotted to services is not exceeded. Therefore such type of cases where there is substantial variation in cost of the work as per Approximate Estimates vis-à-vis the Rough Indication cost indicated at the time of listing of work in AMWP, should be accompanied by detailed justification for variation in cost and should be approved only after CFA is satisfied about the reasons/justifications given for substantial variations in cost.

  
(K. Srinidhi)

Under Secretary to the Govt of India.
