## MESSAGE

The Defence Civilians Medical Aid Fund (DCMAF) will be completing 64 years on 28<sup>th</sup> September, 2016. The Fund has been providing financial assistance to fulfill specified medical needs of the Defence Civilian Employees. Over the years, the Fund has expanded its scope to include many ailments and provides much needed relief to the employees and their families in their hour of need.

The Fund granted financial assistance of Rs. 92 lakh to its members in the financial Year 2015-16. At present, about 2.17 lakh Defence Civilian Employees are members of the Fund. Even now a large number of civilian employees are not its members because of lack of awareness about the Fund.

This year also, the DCMAF Week will be observed between 28<sup>th</sup> September and 4<sup>th</sup> October, 2016. On this occasion, I appeal to the Heads of all Defence Establishments, Federations and Associations under the Ministry of Defence to launch campaigns to motivate their employees to become members of DCMAF.
