Sub :- Recovery of electricity charges from all domestic paying consumers -
Officers/JCO/ORs and equivalent.

-----xxx-----

During the analysis of information/data received from Regional
PCsDA/CsDA relating to recovery of electricity charges/consumption from all
domestic paying consumers in defence, the following was observed:

- i) Electricity charges are being charged at flat rate at significant number of stations.
- ii) Flat rates are being charged in cases where meters are not functioning / faulty meters or due to non installation of meters.
- iii) No billing is being done in large number of cases in respect of PBORs on the pretext of free consumers.

2. In this context, it is intimated that GOI MOD letter No. 9(1)/2005/D(Works-II) dated 25th October 2005 lays down the ceiling for free electricity to Officers/JCO/ORs and their equivalent not exceeding 100 units per month. The balance units will be charged as per the rates applicable at the station. Hence, charging at flat rates/no billing may result in huge revenue loss to the Govt. In this context, instructions issued by E-in-C's Branch under their letter No. 38524/AIFR/E4(U1) dated 22nd November 2005 (based on MOD letter dated 25.10.2005) to their lower formations regarding recovery of electricity charges from officer/JCO/Ors and their equivalents; also refers. E-in-C's Branch has also clarified that fixed charges/meter rent etc. are to be

recovered from consumers, if these are being charged in adjoining civil locality as per Govt instructions.

3. In view of the above, suitable instructions may be issued to all AAO BSO/AO GE dealing with revenue matters under audit jurisdiction of your office; to strictly adhere to the Govt. orders on recovery of electricity charges from all domestic consumers in defence. In case, faulty meters are not repaired or not installed, such cases may be considered for inclusion in MFAI Report.

This issues with the approval of Sr.Dy.CGDA(P&W).
